

THE Backyard **B**ard and Hannah's Child Ministry

PRESENT

Pamela and Rob

together in concert

Folk artist Pamela Joy and Biblical Storyteller Robert Turnbull from The Backyard Bard are teaming together to offer a concert. Two powerful art-forms - both communicating the Gospel message to the heart and to the mind. A collaboration that is not to be missed.

The performance consists of songs from Pamela's upcoming new album together with the Biblical Stories that inspired them.

Churches and Christian groups now have the opportunity to book Pamela and Rob for this extraordinary event. The whole performance can go for either 30 or 40 minutes depending if the last song is included. A standard cost of \$320 is all that is needed to bring this performance to your community.
