

ELI = Hebrew for “My God”

JAH = Short for “Yahweh”

ELIJAH = “My God is Yahweh”

Elijah’s very name gave a very powerful and controversial message.
It make the bold claim that Yahweh was not just a localised Jewish God.

Yahweh himself claims that he is the only God there is
and that He (and only He) created everyone and everything.

This idea was unpopular then and is even more unpopular today,
mainly due to that fact that we don’t like to say
that one belief about spirituality is right while another is wrong.

But despite the controversy, this powerful message unifies all people of every race
with the dignity and wonder of being made in the image of the one same God - Yahweh.

Every other thing that people worship will eventually be shown to be empty.

This is Elijah’s name and this is Elijah’s message.
