

THE ADVENTURES OF ELISHA

INVITATION TO ARTISTS

Art you a Christian artist?

Do you paint / sculpt / draw / whatever?

Would you like to have your work seen by over 1000 people?

Each year, The Backyard Bard, tours a Biblical Storytelling production around churches, schools and unis all over the city. The performance, however, is only part of the production. We always put a great deal of creativity into the whole experience for the audience member from the moment they step in the door. This year's production is 'The Adventures of Elisha' and as part of the wider experience of this story we are hosting a roaming art gallery with pieces created by Christian artists, inspired by these amazing stories.

You have the opportunity to contribute to this gallery.

If you create artwork for the production, it will be displayed in the front-of-house area at each show throughout the performance season for an estimated 1500 people to see. You can also put up your artwork for sale (at a price that you choose) and you will receive all the profits from the work. We will also display the artwork on our website for people to view.

To be part of this project, simply do the following:

- contact us with an example of your previous work,
- choose a story from Elisha for inspiration,
- deliver the artwork to us before Friday, Sept. 26th.

Contact us right away to register interest or to ask any questions. We look forward to working with you to share these amazing stories in creative ways.
